AUGUST 27TH – SEPTEMBER 3RD 2014, GDANSK (POLAND)

AN INTERACTIVE **HISTORICAL AND POLITICAL PROJECT**
FROM A **CZECH-GERMAN-POLISH PERSPECTIVE**
“**DEMOCRACY UNDER CONSTRUCTION**”

FREEDOM SOLIDARITY CIVIL RIGHTS...

WHAT IS THE **SIGNIFICANCE** OF THESE CENTRAL AND KEY WORDS FROM **1989** IN THE CONTEXT OF THE **ONLINE COMMUNITY**, GLOBALIZATION, **ECONOMIC AND POLITICAL CRISIS** IN EUROPE ...?

If you are

- looking for answers to these questions
- interested in politics and civic matters
- involved in social development issues

we invite you to participate in a project which will bring together young, active people from Poland, Germany and the Czech Republic to share thoughts about the idea of a free and open European society, a society acting in the spirit of solidarity. We invite you to Gdansk – a city which inspires initiatives to foster democracy and freedom beyond state borders and political concepts.

We will revisit the 1989 events through creative workshops, participation in the opening of the European Solidarity Centre and meetings with historical witnesses. We will consider how the ideals of 1989 can be applied to the process of European integration and reflect on their contemporary significance.
